EAST STROUDSBURG STATE COLLEGE
EAST STROUDSBURG, PENNSYLVANIA 18301 717—424-3547

OFFICE OF THE PRESIDENT

May, 1979

Dear Fellow Students and Graduating Seniors:

All of us join in wishing you the best of everything for the years ahead.

Your studies and experiences at East Stroudsburg State College represent a major investment in yourself, by yourself. I am certain that the coming years will demonstrate to you the wisdom of your investment. I would hope that each graduating senior would have learned the importance of continuing to learn throughout a lifetime. We are members of a knowledge-based society. Many of our understandings and presumed facts change as knowledge advances and times change. It behooves each individual to stay abreast of these changes and thus continue to strive for self-fulfillment.

In the future, in so many different ways, you will be continually impressed by the degree to which your East Stroudsburg State College years provided you with skills and experiences which have helped you to prepare yourself for such a wide variety of situations.

Perhaps you will be like most of those who have graduated before you and will remember the impact of several faculty members on your life, on your way of viewing and working within this world of ours. Indeed, you will be immensely appreciative of your professors who have served you so well by opening doors of opportunity through which you have walked.

Again, good luck and best wishes for the years ahead. Please do remember your Alma Mater and come back to visit. You are always welcome.

Cordially,

Darrell Holmes

Lamda Iota

Lamda Iota is a social service sorority founded in 1975 here at ESSC. Our flower is the morning glory, colors are baby blue and navy blue, and the lamb is our mascot. As the largest sorority on campus we work as one unit on different projects to help ourselves, the campus and the community. To identify our sorority we established different symbols which have deep meaning to all sisters. Our Advisors Dr. Achroyd-Kelly and his wife Elaine are the best. Our Homecoming float placed first this year and we also placed first overall during Greek Week.

K. Marzulli

Tau Kappa Epsilon

The Brotherhood of Tau Kappa Epsilon, the largest National Fraternity on campus, had a busy year. The Brotherhood of Iota Tau Chapter celebrated their 15th anniversary on January 25th. Besides participating in all the I.F.C. sports, the Brothers were very active in many service projects, including a Halloween party for the underprivileged children, and a candy sale for the Heart Fund. The Brothers also took second place in the Greek Talent Show and Games. OFFICERS: Dave Kovacs, Pres., Rich Furtak, Vice Pres., Bob Ewe, Treas., Mike Meek, Secr., Tony Florkowski, Chaplain, and Dan Ross, Pledge Master.

Alpha Sigma Alpha

The Sisterhood of Alpha Sigma Alpha is one of the two National Sorority on campus. Being the oldest, we celebrated our 11th anniversary this year. We placed second in the Homecoming Float Competition with "King Tut - Journey Down the Nile" our theme. Our service projects have included, helping Pocono Hospital and collecting for the American Cancer Society. We also enjoyed Province Weekend 1979, along with other Alpha Sigs from nearby colleges. Our "Spring Phoenix Ball" was an excellent climax to a very successful and prosperous year!

Sigma Pi

Sigma Pi involves itself in many community service projects, including the Can Food Drive, Heart Fund, and Apple Tag Day. Sigma Pi was last year's I.F.C. flag football champ. This year we will travel to Delhi University, N.Y. to play their championship team. The Brothers also traveled to Rutgers, Fairmont State, and Drexal to visit with other Sigma Pi Brotherhoods.

Little Sisters of Sigma Pi

Back in the Spring of 1975 the Little Sisterhood of Sigma Pi, Order of Athena, was founded as an auxiliary of the Fraternity. As an organization, the Little Sisterhood helps the Fraternity in social and community functions. Among these functions are the Hunger Drive and blood donations to the Red Cross.

Upsilon Psi

The Sisterhood of Upsilon Psi is devoted to three goals: Scholarship, Service, and Friendship. Our colors are mint green and forest green, the daisy is our flower. Upsilon Psi is a local sorority of ESSC, founded in 1972. Since that time the sorority has been involved in many campus and community activities. Muscular Dystrophy is our National Philanthropy. In the 1978-79 school year, Upsilon Psi placed third in the Homecoming Floats and second in the Greek Week Talent Show Competition. OFFICERS: Lil SanViago, Pres., Judy Gindu, Vice Pres., Kathy Jo Bubla, Recording Secr., Phyllis Lynch, Corresponding Secr., Fran Montagrandi, Treas.,

Editor's Message

Dear Graduates and Underclassman,

They say good things are always worth waiting for and I believe this yearbook was worth the wait. I am not going to apologize for the delay because I feel there is no need for apologies. The people who did work on this book should be commended for overcoming many obstacles, not criticized for not getting the book out on time.

In my four years at ESSC, I had many good times, and some that I would like to forget, but everything is worth remembering in the long run. The Stroud 1979 is for capturing those memories, the good and the bad. Who can ever forget the LINES: at registration, the book store, the Union snack bar at noon, waiting to get into the Stadium for Saturday's games, and the fortunate students waiting every day in LINES both in and out of Dansbury Commons for their meals. And who can ever forget the crazy life in the dorms, holidays on campus, and those days before finals.

As you look at the pages of the Stroud, I hope all the memories you cherish as much as I do will return. I also hope you try to find your picture in the book; it must be somewhere if you managed to come between the camera and the film. I wish you all much success and happiness in the future and a rainbow at the end of your dreams.

Best of Luck

Acknowledgments

Working on a yearbook is both an exhausting and rewarding experience. It takes time, dedication, knowledge, experience, and a great deal of help from your friends. I want to thank Bob Moses, our advisor, for his time and ear. He was a great sounding board; thanks Bob, I couldn't have done it alone. I also want to thank my roommate for all her patience when things didn't go quite right. Also, thanks for the answering service.

A special thanks to Deb, Pier, and Carol; without them this book would still be pictures and paper all over the YB office. Thanks gals for a great job well done. The 1979 Stroud would have never been finished without you and all your help. Galen, the sports section is great. You did a great job after some pretty funny lay-outs. Thanks to Barry and Donna too, the Union couldn't function without them.

I would also like to thank Merin Studios and their great photographers, Eddie Dix (portraits) and Jack O D (candids), for a job well done. Thanks Steve for all your help, too.

I want to thank the people at Walsworth publishing and especially Carl for being so patient with us. We finally got it done.

Last, I would like to thank my parents who made my education a reality. Thanks Mom and Dad. I hope you're proud.

"What is a Friend?" the stranger asked;
I had to stop and think.
He'd paused to rest beneath my trees
And ask me for a drink.

I found that I could not well define
The word Friendship for him;
But I spread out a robe for rest,
His cup filled to the brim.

Refreshed, he left my friendly shade
Unanswered, why pretend?
And, yet, I know he took with him
The meaning of a Friend.

It seems to me if Friendship lies
Within the heart and mind,
Our deeds will show and make folks know
It need not be defined!

East Stroudsburg notched another very successful season, finishing with a 10-1 record. The season was climaxed by a 49-4 romp over Clarion State in the Pennsylvania Conference Championship game. Coach Douds' Warriors played outstanding football the entire year, breaking many school records along the way.

Balance was the key, as the defense gave up an average of only 159.5 yards total offense per game, while the E.S.S.C. offense pounded out an average of 276.2 yards per game.

Ten players made Pennsylvania All-Conference 1st Team; Bill Bergen, Art Boorujy, Bob Bydlon, Jeff Detzi, Joe Detzi, Jeff Johnson, Barry Kennedy, Jack Rodgers, Jack Shrawder, and Jim Villani. Second Team All-Conference selections went to Ray Cianni, Bill Jones and Ray Yakavonis.

Frank Bell, Jeff Detzi, Joe Detzi, Jack Shrawder, and Jim Villani were selected to represent the ECAC All-East Team.

Little All-American honorable mention went to Bill Bergen, and Jack Shrawder.

Jeff Johnson made the A.P. All-American third team, while teammate Joe Detzi was listed on the New York Times All-East team.

Senior defensive captain Tony Cassucci received the Lehigh Valley Hall of Fame Scholar Athlete award.

The 1978 hockey team experienced a very frustrating season, compiling a 0-9-1 record. The team did however play some very outstanding games. The Warriors gave West Chester, the defending national champions their best effort of the season. The tie came against Temple, whose team had much success throughout the year.

The lady warriors were a young and building group, that gained valuable experience for the coming year. The graduating seniors included Sue Marshall, Vicki Scheidt, and Bonnie Kleintop.

The 1978 warrior booters ended up with a 3-2 slate in conference play, and an overall record of 3-9-2. There are times when records don't exemplify the ability or efforts displayed in a long season, which seems to be the case here.

ESSC's highlight came against Cheyney in the final clash of the year, a hard fought 1-0 win. This win gave Coach "Doc" McKeon his 200th win of his coaching career. The other wins were against Millersville, and eventual conference champs Shippensburg.

ESSC also tied Bridgeport, and West Chester, while losing close games to Hartwick and Princeton, 2-1, 1-0, respectively.

East Stroudsburg had three first team Pennsylvania Conference selections in Brian Donahue, Bob O'Donnell, and Frank Stulb.

The 1978 East Stroudsburg women's tennis team ended the season with a 5-6 dual meet record. It was a season of adjustment from a 4 singles, 3 doubles, no repeat competitive format to a 6 singles, 3 doubles, repeat format.

The best singles record, 5-5, was achieved by the number five singles player, Lisa Leeds. The best doubles record, 6-3, was achieved by the number one doubles team of Marilyn Fiori, and Laura Canfield.

The ESSC team was represented in the Eastern Collegiate Tournament at New Paltz, N.Y., The Pennsylvania State Athletic Conference Tennis Championships at Millersville State, and the Salisbury State College Women's Collegiate Tennis Championships in Salisbury, Md.

The doubles team of seniors Sally Marshall and Sharon Schaeffer won the flight runnersup trophy at the PSAC Championships at Millersville in which 13 state college teams competed.

The 1978 cross country team was certainly the best in the history of the harriers at ESSC. An 8-2 dual meet record, and high finishes in the IC4A, and the Pennsylvania State College Conference Meet featured a season in which the only major disappointment was failing to qualify for Nationals.

The season was highlighted by many fine individual performances, but the most significant development was the quality depth which resulted in improved team races.

The 1978-79 Women's basketball schedule included six of the top ten teams in the country. Regardless of the tough competition the team persisted, and worked diligently to improve throughout the season.

Included in the 6-12 record were two point losses against arch rivals West Chester and Lock Haven. Injuries to Ellen Walsh, Kathy Flynn, and Tammy Smith in mid-season slowed the teams momentum.

The team was led in scoring by Soph. Di Yunginger with a 13.8 average per game. Kathy Hall and Ellen Walsh led the squad in rebounds while Di Yunginger and Barb Ewart had the most assists.

Graduating seniors include Jean Beleski, Barb Ewart, Diane Pashinski, Kim Trainor, and Ellen Walsh.

Craig Smith was a standout for the ESSC gymnastics team. He placed second in the vaulting at the North Atlantic Gymnastics League meet, held at ESSC, tying his own school record with a 9.50 vault. He also placed ninth in the same event at the NCAA Division II Gymnastics Championships.

The warriors did not have a complete team during the season, but they still competed in all the scheduled meets. With many top gymnasts slated to return to action the squad should be back to full strength again, next season.

The 1979 men's tennis team had to rebuild both before and during the season. What started out as a promising campaign crumbled as four of the top five players left the squad.

This occurred after two close losses to Bucknell and Lafayette by a point apiece and as a result new players had to move up into the starting lineup to take the vacated spaces.

Strein won his second PC crown in the pole vault, while the ESSC 1,600-meter relay team took first in 3:17.2.

The 1979 ESSC women's track and field season will be remembered as the year the Warriors hosted the first Pennsylvania Conference Women's Track and Field Championships and had eight gold medal winners.

As a team, ESSC placed second to Slippery Rock in the conference meet attended by 12 schools.

Jodi Jarrett provided the most dramatic moment of the championships, unleashing a school and stadium record throw of 148-10 to win the javelin competition.

Jarrett also placed second in the conference discus throw and became the first ESSC placewinner in the Penn Relays with a sixth place finish.

Another standout field performer was freshman Cheryl Baker, who won the conference shot put title. Another freshman Laurie Hocker was the PC champion in the 200-meter dash and also combined with Sharon Sober, Pam Madge, and Liz Bondnyk on the championship 440-yard relay team. Sue Carden won the conference 5,000-meter run with a school record time of 18:16.7.

Freshman Eleanor Lewis also was a high place winner in the distance events as was Terri Snyder in the middle distances, while Terry Walker captured the PC pentathalon.

The 1979 ESSC Archery team again proved to be a powerhouse as the men's team finished with a perfect 12-0 mark, and the women's finished their fifth unbeaten season with a 9-0 slate.

For the first time the Warriors finished in the top three in all three divisions of the United States Intercollegiate Archery Championships. ESSC captured third place in the Men's, Women's, and Mixed team divisions at the National tournament held at Texas A&M University.

Two ESSC archers placed in the top ten in the nation for the individual titles. Joe Barnes finished seventh, while Laura Cale placed ninth.

Members of the national team included Barnes, Mike Gottlieb, John Johnson, Russ Altemose, Laura Cale, Sandy DiPaola, Kathy Kriger, and Kathleen Francese.

The Warriors finished as the top Eastern Division team, but placed only sixth in the Pennsylvania Conference championships.

Tom Oxenreider finished with the team's low average at 79.4. Scott Cericola was next at 79.8. Both represented ESSC in the Middle Atlantic regional qualifying round for the NCAA Division II Golf Championships.

Perhaps the teams best performance was in the fall with a third-place finish in the ECAC Fall Golf Tournament qualifying round. Jack Dunleavy qualified for the ECAC finals, only the second ESSC qualifier ever, tying for second place among the 80 golfers with a 75.

The 1979 ESSC Women's lacrosse season had a strong beginning and ending, but only had hard luck through the middle. The team dropped five games by a single goal and another by two goals to end up the season with a 3-10-1 record.

The Warriors participated in the "B" flight of the NCWA tournament at West Chester State College, winning their last three games to place third of five teams.

Kerry Mulvey was the team's top scorer during the season with 18 goals, while Sue Nauta had 16 to her credit.

Sandy Stackhouse finished her fourth year as starting goalie. She was a contributing factor in keeping the Warriors in many of the tight games.

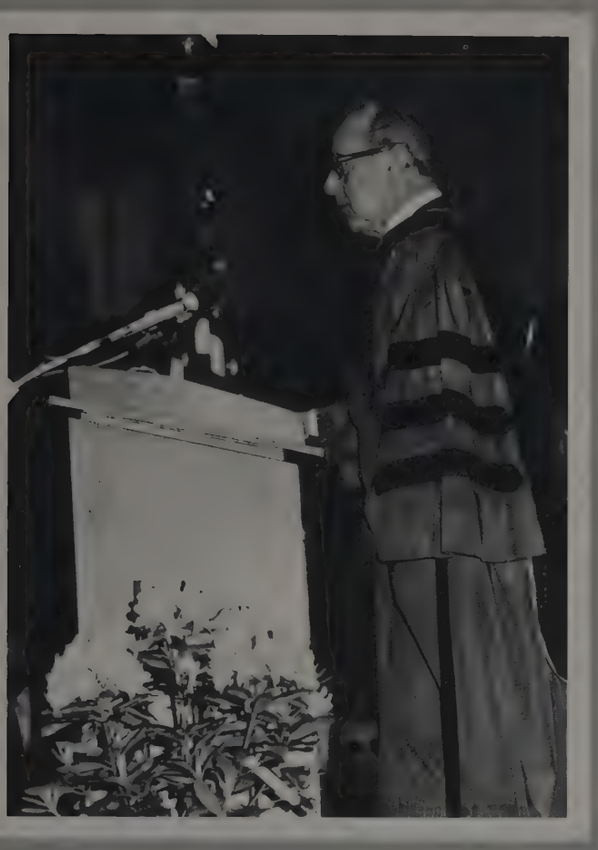
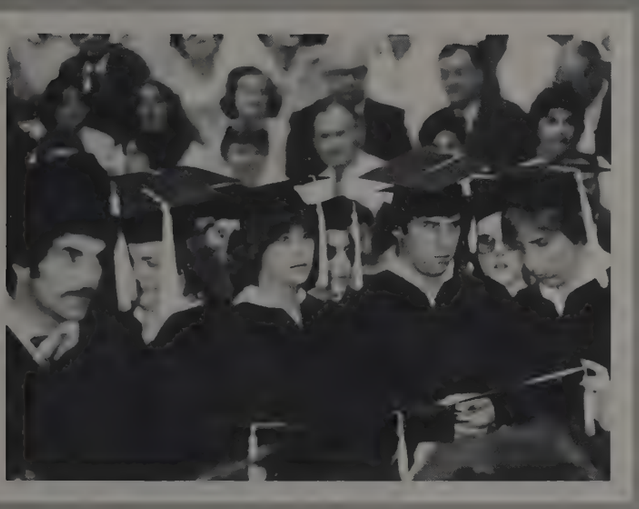
Commencement

Saturday May 19, 1979





Good morning yesterday.

You wake up and time has slipped away

And suddenly its hard to find
the memories you left behind.

Remember? Do you remember?

The laughter and the tears

The secrets of misty yester years.

The good times and the bad you've seen
